

Staff Spotlight!

Ms. Kathy Redmond

My name is Kathy Redmond and I have been at Beechy School for 31 years as the Admin Assistant. Through those years I have enjoyed many different students and staff! I try to be a welcoming face and voice when you either come to the school or call. I try to help out anyway that I can to try and make people's lives go smoother. Outside of school I love to read, bake and work in my yard. My greatest love is spending my summers at our cabin at Clearwater Lake with my children.

Ms. Brianne Denning

My name is Brianne Denning, and I graduated from Kyle in 2009. I completed both my Bachelor of Education and Bachelor of Science in Mathematics at the University of Saskatchewan. I have been teaching for 11 years, spending three years in Lucky Lake before moving to Beechy, where this is now my eighth year. I currently teach Grades 8–12 Mathematics and Grades 9–12 Sciences. Throughout my career, I have enjoyed being actively involved in school athletics by coaching volleyball, badminton, and curling. Outside of the classroom, I love spending time at Clearwater Lake and staying active through curling, volleyball, and golf. When I'm looking to slow things down, I also enjoy crocheting in my spare time.

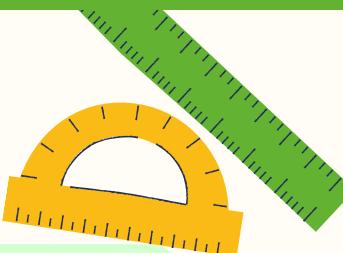

Mrs. Karen Rogness

My name is Karen Rogness. I am currently in my 27th year as an Educational Assistant. I work mainly with the elementary students, and a bit in the high school. Outside of school I am a mom to four grown boys, and have four grandchildren. I enjoy fishing and baking. I am looking forward to another year of helping students in Beechy School.

Please remember that this year we are giving parents and community members a chance to help us nominate our **Blazers of the Month**. Please use this QR code to nominate a Blazer student who is showing **positive character traits** and/or a **great sense of community pride!**
