

Beechy School HALLOWEEN FRIDAY OCTOBER 30TH

VIRTUAL COSTUME PARADE

- Each class will “parade” through a school-wide TEAMS meeting
 - Please note that only students who have Permission to Publish on social media/school webpage will be included in any posted pictures.

BEECHY SCHOOL and SCHOOL COMMUNITY COUNCIL SPOOKTACULAR PUMPKIN CARVING EVENT

- In lieu of our traditional pumpkin carving event, this event encourages all **Blazer families and community members** to participate in pumpkin carving at home. Spread the word!
- **Carve OR paint** your pumpkins – be creative!
- Take a picture of your children/family and your ghoulish creations.
- Send your picture to leia.hey@sunwestsd.ca by 9:00am on Fri. Oct 30th.
- **All families who participate will have their name entered in a draw for a FAMILY GAME NIGHT basket sponsored by the school and Beechy School Community Council.**
- Pictures will be posted on the Beechy School website and Facebook page with Permission to Publish granted.
- The lucky winners will be announced Friday afternoon and presented with the prize!

COSTUMES

- For those wanting to dress up, students can arrive at school on the morning of October 30th dressed for the day in their Halloween costumes.
- Costumes would have to be such that the students could sit in their desks and still be able to do schoolwork throughout the day.
- Any props/face masks will be left in students' lockers until the time of the Virtual Parade.
- According to Ministry guidelines, trick-or-treaters should consider incorporating non-medical masks into their costumes, while ensuring their eyes are not covered for safety reasons.
- **Anyone not wanting to wear a costume could dress in orange and black and still earn points for their colour teams.**

CANDY AT SCHOOL

- We are asking that **no one** sends candy to school to be distributed in classrooms. As Halloween is on a Saturday, we will let it be as such, and let parent discretion dictate who participates in Trick or Treating.
- The **SCC, SRC, and school** are making treat bags for each student, and items will sit for 72 hours prior to distribution, as provincial recommendations dictate. Thank you to our SRC and SCC groups for your support!

ACTIVITIES

- The SRC is planning a town-wide scavenger hunt, to be completed in our cohorts. Keep your eyes peeled on October 30th for students trying to check spooky items off their lists!
- Teachers of Grades 1-6 are planning Halloween activities for the afternoon of October 30th.
