Principal's Message 2021-2022

As Eatonia's Centennial approaches this coming weekend, Eaton School is also celebrating 100 years! What an incredible amount of change has occurred in Education over the past century! We are excited to welcome current students/families/staff, Spartan Alumni and former staff through our doors to celebrate, remember and reminisce about the "olden days", as well as to share what Eaton looks like today.

Every June we look back and marvel at how quickly the school year passed and how much has been learned, achieved and celebrated. This year is no exception. Spartans have many reasons to be appreciative and proud of all the good things in 2021-2022!

- A return to a normal classroom environment with the removal of pandemic protocols.
- Students saw growth in reading, writing and math which were Eaton School's academic goals for this school year.
- Many of our students' work and learning, character and leadership skills, teamwork, etc. were showcased on a daily basis. Some highlights included :
 - The Game of Life
 - Gr 4 Science Olympics
 - Gr 7/8 Entrepreneurship Showcase
 - Track & Field Day for K-4 hosted by Gr 7/8
 - Ultimate Spartan Challenges to build collaboration and engagement
 - Hobby Shows, Biography Museums, Science Fair Projects, Book Talks, Cross-grade collaborative writing and more. The list is endless!
 - Mental Wellness for 5/6s hosted by Gr 9s
 - Graduation
 - Colour Night
- Students were engaged in several presentations : Hip Hop Hoop Dancers Terrance Littlelent and Chancz Perry, Sci-Fi Camps with U of S Engineering students, Patrick Pelletier with the RCMP Education regarding cannabis education, Darryl Elashuk (Sun West Addictions Educator), Sun West Student Leadership Conference, Sun West Career Fair, keynote speakers, etc.
- Spartans expressed their voice and choice by completing surveys, including : OurSchool Survey, Addictions Survey, Youth Consultation EmPowerment Survey, etc.
- Students have planted and harvested crops and vegetables, looked for invasive species, completed soil testing, worked in the fresh air, and more in the S.O.S. (Spartan Outdoor Space).
- Eaton has strong staff collaboration to meet the needs of our students. Staff also exhibits leadership in hosting teacher candidates from the U of S.
- 95%+ of Eaton families participated in Tri-Conferences held in October and March.
- Various classes were engaged in several field trips this year, including local adventures at the Fire Department, Library, Heritage Park, Post Office, Bews Farm/GMac Ag Tour, and adventures further afield such as the Kindersley Museum Ag Days and Cypress Hills Provincial Park.
- The Bands were fortunate to collaborate with other musicians when the Senior Band attended clinics with the U of R Music Department and the Junior Band got together with the Westcliffe Band to improve their skills and play pieces together. The growth of the 5/6 band through the course of the year was phenomenal!
- Many events and activities were held throughout the year : Halloween Costume Parade, Recess Guardian program, Remembrance Day, Christmas Concert, the Spartan Spiel, Strawberry Social, These many events and performances allowed students to showcase their talents, their creativity, their character and more!

- Active student involvement in volleyball, football, basketball, badminton, and track & field and fun playing in games, tournaments and playoffs. As always, parent and fan support of our athletes is second to none!
- A fabulous performance by the Eaton Drama Club of the play, « 15 Reasons NOT To Be in a Play ». So great to see our young actors on stage again!
- The commitment and dedication of our coaches, managers, and volunteers, whether they are staff members or community members is ALWAYS appreciated! Thank you!
- Eaton SRC hosted spirit days and events throughout the year which contributed to the building of our school culture and set a goal of raising funds in support of S.T.A.R.S. Air Ambulance, as well as showed support of the Kindersley Food Bank through a very successful food drive.
- The GSA completed the mural in the high school, developed a LGBTQS+ section in the library, and continued to promote diversity and inclusivity at Eaton.
- The Yearbook Committee worked hard to create a yearbook for 2021-2022 full of awesome memories and it will be off to the printers shortly.
- Eaton School Community Council outdid themselves again this year in supporting students and providing the link between the school, families and the community by sponsoring presentations and field trips, holding family engagement challenges, supporting Family Literacy and reading, identifying a need for mental wellness education and support, and more.
- As always, the community is super supportive of programs, activities and events that support the students of Eaton School. A huge Spartan Thank You to all of those who donated time and/or money to making opportunities happen for our students!

Such a long and varied list of many of the ways that Eaton School strives to achieve Excellence in Education in the 2021-2022 school year.

Looking to the fall and a new school year, we would like to give heartfelt goodbyes to Miss Shaye Bauml and Mrs. Natalia Zbercha. Miss Bauml admirably filled the role of Student Support Teacher this year. Miss Bauml will be missed but our loss is KCS's gain. Mrs. Zbercha has filled a very important role at Eaton for the past 3 years, working hard to keep our building spic and span. We will miss her cheerful, warm greetings. Best wishes to Mrs. Zbercha and her family in Edmonton!

Otherwise, staffing will stay at status quo, with a few changes in teaching assignments :

Mrs. Harmony Palaschak - Kdgn

Mrs. Shelley Follensbee - Gr 1/2

Mrs. Megan Chabot-McKinnon - Gr 3/4

Mrs. Nichole Bredy – Gr 5/6 English, Math, Social, Arts Ed, Health/Careers; Social 7/8; PAA 7/8/9

Ms. Diedra Whitell – Band, Music 1-4, Math 7/8, Arts Ed 7/8/9, Health 7/8, PeBL Mentor

Mr. Clint Hayes – Science 5/6, 7/8, 9/10; PAA 7-12; Phys Ed 7-12

Mr. David Korchinski – English 7-12, Psychology 20, History 10, Social 9

Mr. Michael Hoult – Math 9-12, Health Science 20, Physical Science 20, Chemistry 30, Physics 30

Mrs. Melanie Charnetski – Student Support K-12

Mrs. Lisa King – PAA 9-12, Phys Ed 5/6, DLC 10, and Admin

EAs – Mrs. Candice Connolly, Mrs. Cindy Facca, Mrs. Julie Nunweiler, Mrs. Nicole Perry

Secretary – Mrs. Kathy Hoffman

Librarian – Ms. Tracy Radies

Custodian – Ms. Jennifer McKenzie

But that is next year, and right now, all students and staff are looking forward to the 3 Rs of Summer : Rest, Relax and Rejuvenate. Have a great summer, everyone!

Mrs. Lisa King

"Oh, the Places you'll Go!" By Dr. Seuss

Grade 12's last story time at Eaton School!

"Congratulations! Today is your day. You're off to Great Places! You're off and away!"

Cypress Hills Field Trip

The Kindergartens, Grade 1/2's, and Grade 3/4's went to Cypress Hills for our end of year field trip. Though we were unlucky with the weather, we had an awesome time learning about various animals and trees that call Cypress Hills home and how the First Nations lived on the land and buffalo. We played a few games, and went on a short walk when the rain slowed down. **A HUGE thanks to Eaton's SCC, Eatonia Lions Club, Mantario Lions Club, Achieve Land and Crop Sciences, and JorAnn Safety for sponsoring this Field Trip!**

Kindergarten

Kindergarten

This years Kindergarten class welcomed the upcoming Kindergarteners this afternoon. The new Kindergarteners spent the afternoon listening to a story called "The Night Before Kindergarten," a tour of the school, meeting the students in the different grades, playing some games in the gym, having a recess together and a bit of playtime. The new Kindergarteners didn't want to leave and the current Kindergarteners were sad they had to go. It was a wonderful afternoon!

Grade 1 & Grade 2

The class explored Eatonia long ago, specifically getting insight into the evolution of Main Street through the years. This project was made possible with the remarks of historian and past Eaton school teacher, Joy Assmus, Constructing the replica of Main Street was a felicitous project for students leading up to this year's Centennial celebration.

Grade 2

&

Grade 1

Our local Wheatland Library is an incredible place to go! Students were thrilled to get the scoop on the summer reading program. Thank you to our local librarian, Bunty!

Grade 2
&
Grade 1

PIC•COLLAGE

Grade K-4 year end trip to Cypress Hills Wednesday June 15! It was all fine even though it rained hard all day. It was about the chartered bus ride, the lessons learned & being out in nature with peers!

Grade 2 & Grade 1

Grade 1

&

Grade 2

Happy Father's Day from Grade 1-2!!!!!! (Yes, these are paper weights)

Grade 3/4

The Grade 3/4's have had a busy June! A few of the Grade 4's participated in Science Olympics in Rosetown. Students were challenged to think creatively and collaboratively as they designed solutions to solve two problems. The whole class was invited to Gmac's Farm to Food to tour in Kindersley. Here students learned about all the things that are put into making burgers and fries. Along with that we've enjoyed play days.

Here are pics of the Spartan Gr. 3/4 Team Oompa Loompa in action at the Sun West Science Olympics!

Science Olympics

Grade 5&6

We had an amazing bonding trip!! Nothing like camping to 🏕️ bring everyone together!! We enjoyed a hike 🧑‍🌿, ice cream 🍦 geocaching 🗺️, and an invigorating Canoe instruction with the amazing park interpreters Mimi and Laura!! [Cypress Hills Interprovincial Park](#)

A huge thank you to our amazing chaperones who tented, slept in their cars or even on a hill!! Shout out to [Mitch Larock](#) [Amanda Longmuir](#) [Sean Sandy](#) [Bowman Dudley](#) [Brent Bews](#), [Bob Watson](#) [Clint Hayes](#) [Doug Bredy](#) ! Thanks to [Anna Guidinger](#) for the donation towards our trip!

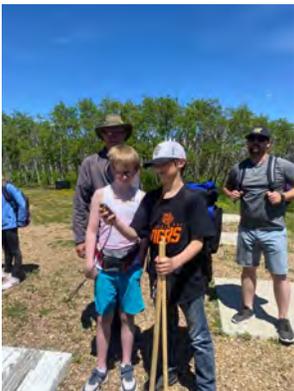

Many laughs and memories were made. Perhaps the best part was watching the kids running through the forest being kids. 🌲 #SpartanPride

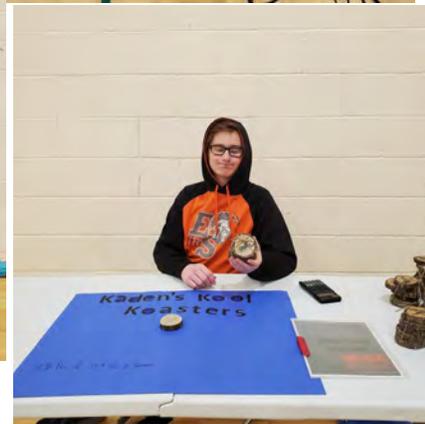

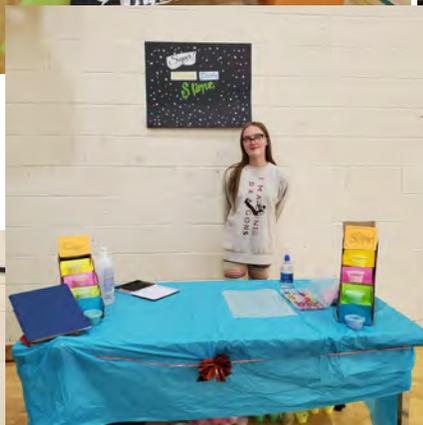

The Grade 7/8's Young Entrepreneur Show was a hit! They worked so hard, and their products sold out like hot cakes! Kudos to all the fantastic business ideas! A huge congratulations to the Gr 7/8 students for demonstrating such excellent entrepreneurship at the Young Entrepreneur's Show. There were so many great and creative ideas, solid business plans, and wonderful products for sale. School and community feedback was very positive. Gr.7/8 students raised collectively over \$2300 and have donated \$230.70 to Ronald McDonald Houses Saskatchewan. Way to go Gr 7/8s!

Grade 7 & 8

K-4 Track & Field

What would happen if middle school ran a fun track and field day? These amazing smiles!! This proud teacher is still smiling. Bravo to Mentorship 7/8 for pulling off, planning and showcasing your executive skills for this amazing day! They embodied mentorship, leadership #spartanpride and student voice.. Just wow!!

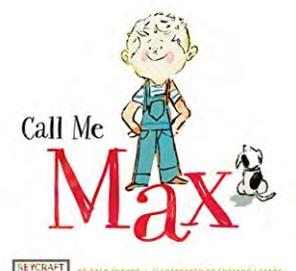

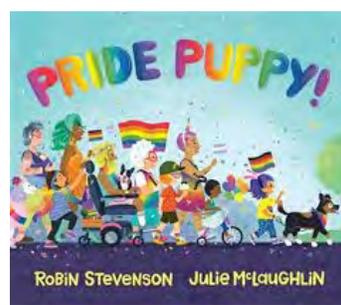

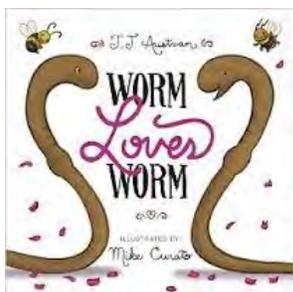

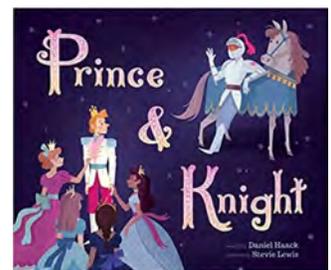

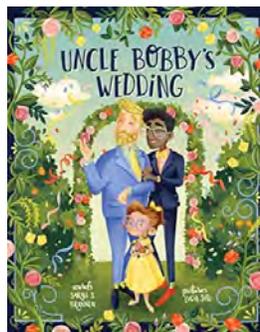

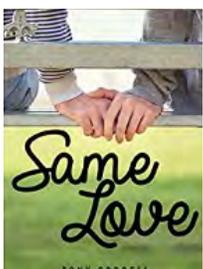

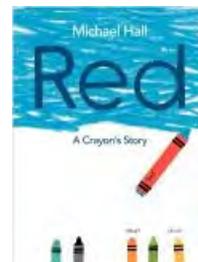

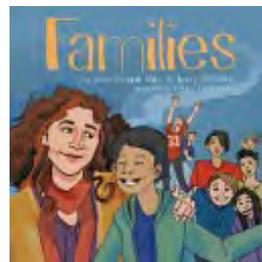

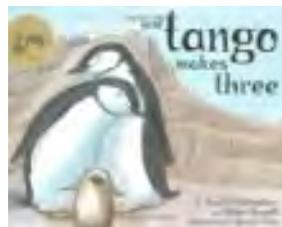

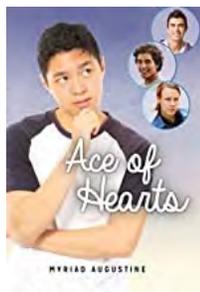

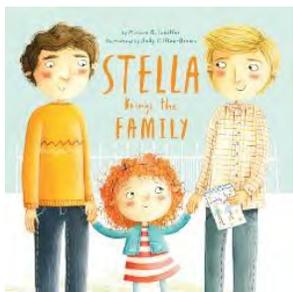

Thank you to the amazing staff who helped out and trusted us!! Forever grateful for Spartan staff and students.

It was a very busy year for the Eaton GSA! We had lots of fun finishing our mural in the high school upstairs. It was great to be able to have super great Spring Fling Dance! This year was a transition year within the GSA, as well as for everyone coming out of the pandemic. We are looking forward to getting back in the fall and resuming more activities. The GSA would like to thank Ms. Radies for all of her support of the GSA this year! Thank you for helping us purchase our new library books and for sharing and reading them to the students! Thank you, also, for giving us a space in your library and for always caring! You are our #1 Librarian!

We hope everyone has a safe and happy summer!

Band Awards – recipients receive points for participation in any of the following: years in band, private lessons, Music Festival, Band trips, any extra bands, performance outside school, participation in Band Association Fundraising projects, etc.

- General Merit (22-43 points)** Cohen Hayes & Grady Stevens
- Silver Band Pin (44-65 points)** Brayden Aldridge, Kaylin Bredy, Brooklyn Schmaltz, & Joel Stevens
- Gold Band Pin (66-99 points)** Addison Larock
- Hundred Point Club (100+ points)** Kylee Price

Composite Awards – recipients must have earned five or more participation points out of all possible activities, including, participation in any athletic program as well as involvement in any of the following: GSA, SRC, SRC Executive, Cooking Class, yearbook., etc...

- Grade 7** Drew Hynd & Teahanna Fuerstenberg
- Grade 8** Trista Kelly
- Grade 9** Adam Becker, Addisyn Connolly, & Mikayla Fensom

The drama club had a very successful year. The students who were involved worked hard at learning the basics of a new craft and forming new bonds. The group included students from Grades 7 through 12 who were very dedicated and enjoyed learning improvisation and character development along with breath control and voice projection. Even with Covid restrictions at the beginning of the year we managed to perform twice. The first was a Murder Mystery in December, which they put on for the high school students and staff. The Drama students were given cue cards with a brief outline of their character's traits and from there they developed that character and tried not to give away the murderer. This performance also required some audience participation which was a lot of fun. In February practice began for a one act play titled 15 Reasons Not to be in a Play which saw each club member acting as several different characters. During this play the character/actors never left the stage which meant learning how to do costume changes and use props without any backstage help. The group certainly showed their grit and determination during these practices even though they were "too shy" and "didn't wanna"! The actor's confidence and humour came through with shining colours and some of the performances surprised everyone. They were all good in the good play! 15 Reasons Not to be in a Play was performed for the students and staff and then again for the public in the evening on May 13. We were so excited to be able to welcome friends and family into the gym at last!

Mrs. Nunweiler and Mrs. Facca had a blast working with the Drama Club kids this year. We got to see sides of students that we didn't know before and have some good laughs at the same time. Thanks to Ryanna, Shawi, Zoe, Ella, Brooklyn, Joel, Kameron, Adam, Owen, Takeena, Alex, Maddy, Gared, Grady, Teahanna, Drew and Madison for all your hard work and for making this year so memorable. We can't wait to see you next year! Thanks to everyone who supported the Drama Club this year – a special shout out to Mr. Hoult for helping with the sound system and of course to all the parents!

Jeffery Straker visits Eaton School

Grade 3/4s at Eaton School had the pleasure to work with Saskatchewan's Singer/Songwriter Jeffery Straker to write their very own Eaton Centennial song! Debut is July 2nd at 11am! So much fun was had, and a lot of hard work was accomplished!

Lyndon Linklater

Eaton School was very fortunate to have Lyndon Linklater, a traditional knowledge keeper and storyteller, speak with the students yesterday. Lyndon shared knowledge of his culture and traditions through story telling, song and drumming, mixed in with some humour, along with what it means for us all to be Treaty people.

Eaton would like to express our sincere thanks and appreciation to the Eaton Centennial Committee for giving our students this opportunity to listen to and learn from Lyndon.
