

Lieutenant Governor of Saskatchewan

To the Class of 2021:

Congratulations on graduating from high school this year!

You have met every challenge to complete Grade 12. This is an accomplishment at any time, but during the pandemic, it is a special achievement. You have adapted to online learning, and have no doubt missed personal contact with friends. You are resilient and determined, and you have a bright future.

As you look ahead, I encourage you to remember all the people who have helped you in the past, including your family members, teachers, school administrators, coaches, health care workers, and so many more. Your success is the result of your hard work, as well as the support you have received from many people.

In addition to planning for further education and a career, I hope you will also consider how you can give back to your community. You have much to offer, and your community needs you.

Once again, congratulations on graduating from Grade 12 and best wishes in your future.

Yours sincerely,

A handwritten signature in blue ink, reading "Russ Mirasty".
