

**A Message from His Honour
The Lieutenant Governor of Saskatchewan**

Congratulations to the Class of 2022! This is a momentous milestone in your life, and it is important to take time to celebrate your hard work and determination.

As you mark this significant achievement, I want to acknowledge the teachers, administrators and school staff who have helped you realize your potential. Educators play a crucial role in our lives and have a lasting impact. I extend my sincere gratitude to the teachers and support staff who have managed many challenges over the past two years to provide students with opportunities to learn and grow.

I also want to recognize the families of the graduates. Thank you for the love and support that has enabled your loved one to succeed.

And finally, to the graduates, as you make plans for the future, I hope you will consider how you can contribute to your community. Everyone can contribute, and we need everyone to get involved, to make their voice heard, and to help create the communities we want to live in. You have the distinction of graduating in the year Canada's Queen marks 70 years as Sovereign. Her Majesty is an extraordinary role model who should inspire us all to make service a priority.

Please accept my best wishes in your future endeavours, and once again, congratulations on graduating from Grade 12!

A handwritten signature in blue ink, reading "Russ Mirasty".
