The Eaton Kindergarten class spent the morning out at Craig and Shannon Bews Farm! We learned so much! We want to thank Janelle and her G-Mac Ag Team for running a station about plant growth, Learning About Ag with Mady, her brother Barrett and her mom Lexie for bringing samples of crops and food products to teach the kids about where their food comes from, Darren Bews and Brennan for allowing the students to learn about machinery and exploring them. Kristin Somerville who spear headed this whole morning and even ran a station where the students planted a pumpkin seed. A big thank you to all the parents who helped out with the stations, providing snack and lunch

The Kindergarten class took action to help keep our Earth healthy by learning about Earth Day and taking an hour to pick up garbage in our school yard! I am very proud of their enthusiasm and their effort in keeping our Earth healthy!

Gr. 1/2

Gr. 3/4

Grade 3/4 left for Easter break after an exciting Fear Factor Escape Room with the 5/6's. From pudding diapers to apple sauce baby food, the 3/4's were all daredevils as they completed the task and challenge to gain points towards escaping. Now we are ready for a month full of wonderful things. We will be ending our Roald Dahl novel study with some fun activities. In connection to our learning about structures, the 3/4 's have been challenged to create a bridge. We will also be learning about plants next, so we cannot wait for the Outdoor classroom to be ready for use.

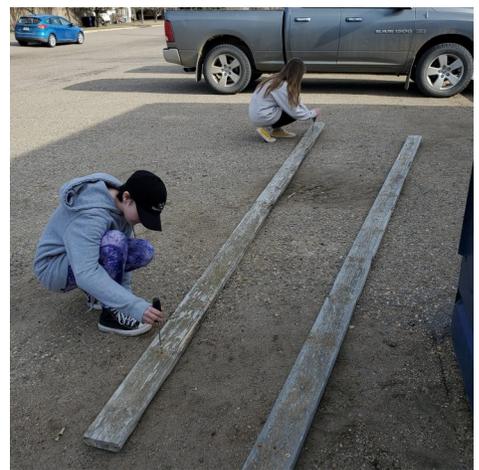

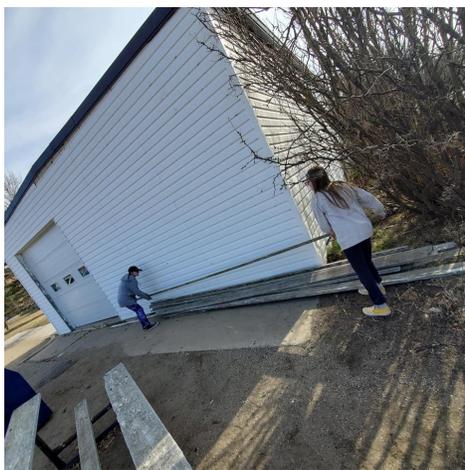

Gr.5/6

A huge thank you to all those who supported the Grade 5/6 Orange-A-Palooza. Shout out to our parents who donated all the required items to make 120 grill cheese and 65 floats. Special thank you to Mrs. Assmus, Mrs. Connolly and Mrs. Presler for their help! All together we raised \$400 for our camping trip. Thank you!!

PAA 7/8

PAA 7/8 class tackled the job of removing the old boards from the football field bleachers so they can get a fresh new look.

7/8 Band

It was an amazing day for the 7/8 Band!

Amazing day! Kids played well. I have videos too, just haven't got it all sorted!

It was so nice to have clinics for brass, woodwind, and percussion. Helen Barclay, Mr. Reece, Ms. Whitell led the clinics. Large group practice. Performance for all of Westcliff. Well received concert! Their younger kids want in on the opportunity as well, and our students had positive thing to say about the day....maybe a combined and to travel with in future....fulllll band experience.

Our GSA has been working hard at planning for a Spring Fling Dance for Grades 7-12 on May 27th. We have each club member assigned to different contributing roles including making posters, invite lists, playlists, and decorations. Everything is slowly coming together, and we are more than excited to finally hold a school dance after so long! Additionally, we recently got new elementary books to add to our GSA library section. We hope the kids love and enjoy reading them!

SUN WEST P.A.R.T.Y. PROGRAM

Tuesday, May 17th

Each year, Sun West grade 10 students have the opportunity to participate in the P.A.R.T.Y. Program (Prevent Alcohol and Risk-Related Trauma in Youth). Permission Click forms have been sent to parents. The P.A.R.T.Y. Program is an injury prevention program aimed at teens. The purpose is to help educate youth about the consequences of poor decision-making in relation to risk-taking behaviors such as drinking and driving, texting and driving, not wearing a seat belt, and/or not wearing protective gear for high risk physical activities (i.e. snowboarding, skateboarding, snowmobiling, ATVing). Organizers Liza Dahl and Darryl Elashcuk's goal is to make this day interactive, exciting, interesting, and impactful.

Hey Grade 12s!

It's that time of year when you should be thinking about Scholarship & Bursary Applications!

There are a number of local scholarships and bursaries offered annually and presented at the Eaton School Colour Night Awards Ceremony. This year's ceremony will be held Monday, June 20th.

Most applications are due in April and May. Be sure to speak with Mr. Hoult to get the Scholarship & Bursary Package and submit your applications on time.

CALLING ALL EATON BAND ALUMNI!!

Ms. Whitell, our current Band Director, will be entering a Marching Band in the Eatonia Centennial Parade held on Saturday, July 2nd.

While our band will have current band students playing, we would LOVE to have Alumni join us in playing a classic song (maybe "Louie, Louie"?) as we follow the parade route from Eaton School to 6th Ave then down Main Street and back to the school.

If you are interested in dusting off your instrument, or perhaps borrowing one from the school, to join the Marching Band, please contact Diedra Whitell!

THE 7 HABITS OF A POSITIVE PARENT

1 CONNECT BEFORE YOUR CORRECT

When we connect, kids move from a defensive, reactive state to a receptive one.

♦ "COME HERE FOR A HUG. YOU SEEM TO FEEL VERY STRONGLY ABOUT THIS. TELL ME MORE"

1 ASK FOR HELP WHEN YOU NEED IT

You'll get the support you need and model the importance of speaking up.

♦ "I TOOK ON A LOT THIS WEEK. I WILL SEE IF MY FRIEND CAN HELP ME OUT."

3 MAKE TIME FOR YOURSELF

Our children will never choose to give us a break. We need to make sure our needs are met.

♦ "I NEED TIME TO RELAX FOR TEN MINUTES. I WILL BE AVAILABLE AFTER."

4 SET FIRM BOUNDARIES

Clear boundaries help children thrive and make parenting easier.

♦ "MY ANSWER IS NO. YOU'RE FREE TO DISAGREE."

5 STAY FLEXIBLE

Be open to change your mind. Try new approaches, find what works for YOUR family.

♦ "I WOULD LIKE TO TRY SOMETHING DIFFERENT TONIGHT. BEFORE WE READ A BOOK, LET'S TALK ABOUT OUR DAY."

6 LEAD WITH LOVE

Let your child know that your love never wavers. Even when things get tough.

♦ "THERE'S NOTHING YOU CAN DO FOR ME TO LOVE YOU MORE OR LESS."

7 BE AN ACTIVE LISTENER

Connect and ask questions instead of making assumptions.

♦ "THANK YOU FOR SHARING THAT WITH ME. I WANT TO TALK MORE ABOUT THIS TO UNDERSTAND YOUR PERSPECTIVE"

WHEN YOU ADOPT THESE POSITIVE PARENTING HABITS... YOU BUILD A DEEPLY CONNECTED PARENT-CHILD RELATIONSHIP.

BOARD OF EDUCATION HIGHLIGHTS

The Sun West School Division Board of Education held its regular meeting on Tuesday, April 26, 2022 in Rosetown at the Sun West Learning Centre.

- The Board approved the 2022-23 School Year Calendar. A committee of division office staff, administrators, teachers, support staff, students and community members developed the calendar and considered the results of a survey completed by over 1000 stakeholders. Prior to distribution to schools and the public the proposed calendar requires approval by the Ministry of Education.
- Boards of Education are providing input into the Provincial Education Plan (PEP) under development by a provincial committee of Saskatchewan's education stakeholders. The Board reviewed the PEP areas of focus and the Director of Education will pass on their thoughts to the committee.
- Dr. Ted Amendt, the Saskatchewan School Boards Association (SSBA) Director of School Board Development Services, attended the meeting to advise the Board on potential directions for commencing a Board Policy Review.

The next regular scheduled meeting of the Board of Education is May 24. For more information on the Sun West Board of Education:
