HAPPY VALENTINE'S DAY ♥

Principal's Message

Welcome to February! It is hard to believe we have officially crossed the threshold into the second half of the school year. They say time flies when you're having fun, and based on how quickly the first semester went by, we must be having a blast!

Reflecting on a Busy January

January was a whirlwind of activity, particularly for our high school students as they wrapped up their first-semester courses.

- **Academic Milestones:** A huge **congratulations** to all our high school students for their hard work in completing final assignments, projects, and exams. Your perseverance through the end-of-semester "crunch" was impressive to see.
- **A Healthy Start:** We were thrilled to launch our **School Breakfast Program** this past month. Seeing students gather for a continental-style breakfast has been a highlight of my mornings. It's more than just a meal; it's building a wonderful morning community that sets a positive tone for the day.
- **Athletic Spirit:** We closed out the month on a high note by hosting our Senior Boys and Girls Basketball Tournament. Thank you to the athletes, coaches, and fans who brought so much energy and school spirit to the stands!

Looking Ahead

As we turn the page to February, we are excited to get our **second semester classes** fully underway. A new semester is always a great opportunity for a "fresh start" and to set new goals for the remainder of the year.

While it is a short month, it is an important one. We are all looking forward to the **February Break**, a well-deserved opportunity to rest, recharge, and enjoy quality time with family and friends.

Thank you for your continued support of our school community. Let's make this short month a wonderful one!

Yours in Learning,
Scott Carey
Principal

Eaton SCC

February Breakfast Menu

Due to the success of this program in January, we decided to keep it going!

Breakfast will be available on Days 2, 4, and 6 in the canteen.

We will not be serving breakfast on February 11th (Healthy Snack Day).

Grade 1/2 News

In January, we completed our Objects & Materials unit by making sleds made out of recycled materials. We tested them out on the hill with our class dino, Mitch, along for the ride! We also got to try out Book Creator by writing our own Squishmallow stories!

We are looking forward to celebrating the 100th day of school in February! We are dressing up as 100 year olds!! We also get to have a Valentine's Party!
