Principal's Message

What a wonderful start to the school year it has been here at Eaton School! Over the past two months, I've been continually impressed by our amazing students, and that's a reflection of the incredible support they receive from all the adults in their lives. Thank you for being such an integral part of our school community.

A final note on our Terry Fox Run: we exceeded our fundraising goals! This is a true testament to the strength and generosity of our community. Thank you to everyone who contributed.

We also had a very successful book fair. Your support means so much, and it's heartwarming to see how deeply our community values literacy. Many of us have fond memories of book fairs growing up, and it's wonderful to see that tradition continue. We did so well, in fact, that Ms. Radies will soon be sporting a vibrant new hairstyle. Stay tuned!

Thank you as well to all families who participated in student conferences last month. Strong communication between school and home is a key component of student success. Please continue to reach out to your child's teachers if you have any questions about their learning.

As we move into November, we transition from fall sports into our winter season. A huge thank you to all our school and community coaches for making volleyball, football, golf, and cross-country running such a positive experience for our students. And thank you to all the parents who support their children in these extracurricular opportunities.

Finally, our first report cards will be coming out shortly. This year, we are moving to a digital report card format through Edsby. We understand this is a transition, so if you prefer a paper copy in the short term, please contact the office and we'll be happy to provide one.

Thank you all for an amazing start to the school year. I'm looking forward to seeing how the year continues to unfold!

Warm regards,
Scott Carey
Principal, Eaton School
