

## HES Manufacturing Scholarship

Applicant name: \_\_\_\_\_

### Requirements:

- Applicant must be enrolled into a professional trade and will be taking professional training at a technical institute within one year of graduation:

Only trades under the Saskatchewan Apprenticeship and Trade Certification Commission will be accepted. The web address is <http://www.saskapprenticeship.ca/designated-trades/>  
The trades are listed on this page.

Trade you are entering - \_\_\_\_\_

- Submit a copy of your most recent high school transcript; the winning candidate may not be chosen on academic standing alone.
- Answer the following four questions on a separate sheet of paper, in the best detail possible:
  1. How important are the trades in the development of Saskatchewan in the current economy? And why?
  2. How can obtaining a trade certificate benefit a person in life, even if they were to pursue a different career afterward?
  3. After earning a trade, would you either work for an existing company, or start your own? And Why?
  4. Describe how you plan to achieve your future goals.
- Hand the completed application in to the Scholarship Committee on or before June 23rd 2015.

The HES Manufacturing \$500 Tradesperson Scholarship will be awarded to one recipient at the Graduation Ceremony in Eston, SK.

The recipient will have a period of one year, starting graduation day, to receive the \$500. A receipt must be submitted to HES Manufacturing to prove enrollment in a technical institute.

**Good luck!**
