

Scholarship Application Form

Scholarship Information

G-Mac's AgTeam will be offering ten, \$1,000 scholarships to students in our local trade areas that are pursuing a career in the Agriculture Industry. Many of our previous scholarship applicants have gone on to pursue summer student jobs with G-Mac's, allowing them to continue their education and further develop their skills and knowledge in the Ag Industry. Some of these students are now even pursuing their careers as Agronomists here at G-Mac's!

Applicant Criteria

These scholarships are awarded to student's pursuing post-secondary education in the Agriculture Industry. Recipients of the scholarships are decided based on their academic achievements. As well community involvement, sports, music, leadership qualities and other personal successes will all be taken into consideration.

Application Procedure

- Prepare a short autobiography that includes criteria listed above, as well as your future plans.
- Submit this application, along with your autobiography and a transcript of your grades.
- Students are to **email scholarship application(s) to Janelle Swan, People, Culture and Community Coordinator at G-Mac's AgTeam LP: Janelle.Swan@gmacsagteam.ca**
- **Deadline for application is June 1st, 2022.**

Scholarship will ideally be presented at your school's graduation ceremony depending on the date. Should it not work for the scholarship to be presented at the graduation the recipient and school will be contacted.

NOTE: Due to the current COVID-19 pandemic all scholarship recipients will be contacted directly so please ensure that the full mailing address and phone number are listed below! Forms that are NOT filled out completely will not be considered.
