Principal's Message

It is great to have the longer and warmer days that come with the arrival of spring. We had a lot of parents join us in person and on phone for an opportunity to discuss their child's academic and social progress this past term. If you missed interviews and have any concerns, please contact your child's teacher. Grade 10-12 report cards for Quarter 3 go home on April 14.

It is great to see students practicing badminton after school. Track and Field will be starting sometime in April/May. Our Grade 8 class will be attending the Virtual SLC Conference on April 8 with our SLC buying them pizza lunch. Our Grade 10-12 students will be doing the Safe Talk presentation which, helps students to understand if they or friends are feeling suicidal what to do and who to talk to. Dan Clark of the Roughriders will come and speak to our students on April 8.

There are always things to learn in our academic classes and also from virtual and in-person presentations.

Important

Deadline for submitting items for the Thursday Note is Wednesday before noon. Items received after that will not make it into the Thursday note.

Email Jodi at jodi.seibold@sunwestsd.ca if you need any help with the Family Portal
