Principal's Message

It's a busy time of year as the school year winds down, ball season is in full swing, grad preparation continues and who knows what other things families might have on the go! I would ask you to consider adding one more thing to your already full plates. Our School community Council Annual General Meeting is Monday, June 5 at 3:30 in my classroom.

Our SCC serves a vital function in our school, supporting learning for our students and staff. Here are some of the things they do

- Apple/healthy snacks – find community sponsors and arrange pick up of food.
- Fun activities for student such as middle years dance and The Amazing Race.
- Support and provide guidance on our annual school learning improvement plan.
- Provides input on our decentralized school budget, school rental agreements, school programming and student fees.
- Support reading and learning initiatives in our school.

Our SCC requires a minimum of 5 members and can have as many as 9. One-half of members must be parents, but community members are welcome. It is a two year commitment. Please consider volunteering your time and your ideas to support learning at NWCS.

Email Jodi at jodi.seibold@sunwestsd.ca if you need any help with the Family Portal

Important

Deadline for submitting items for the Thursday Note is Wednesday before noon. Items received after that will not make it into the Thursday note.
