Principal's Message

Good news!! Education Minister, Gord Wyant, announced this week that school will be resuming in the fall. More guidelines and safety protocols will be announced next week to ensure the safety of students and staff.

We will be collecting devices that students have borrowed from the school to continue their learning. Mark June 26 on your calendar between 1:00 and 3:30. Please return the device and the charging cord. Also, if you have textbooks still, you will need to return them to the school before the end of June. If June 26 does not work, please contact me to make alternate arrangements.

We very much look forward to reconnecting with students and families in the fall. If you have questions or require immediate supports please contact your child's teacher, Trish or myself.

Important

Deadline for submitting items for the Thursday Note is Wednesday before noon. Items received after that will not make it into the Thursday note.
