

North West Central School  
Thursday Note  
April 7, 2022

<http://www.northwestcentral.sunwestsd.ca/>

**Principal's Message**

I had some interesting chats with the Grade 5 students this week. They had an assignment where their task was to determine where we could spend an extra fictional \$10,000 at NWCS. Many great ideas and suggestions came from them including buses, mats for the gym, PE equipment and an aquarium.

Next week report cards will go home on Thursday for our Grade 10-12 students. We had interviews in mid-March; however, if you want to talk with your child's teacher(s) after report cards, please email them. We expect all of our high school student to be up to date in their classes (no incomplete or missing assignments) and passing all of their class. Student, should be doing homework daily to ensure they are caught up and prepared for tests. The marks from Grade 10-12 stay on transcripts for life and can determine post-secondary choices such as University, SaskPoly. or apprenticeship.

**Important**

Deadline for submitting items for the Thursday Note is Wednesday before noon. Items received after that will not make it into the Thursday note.

**SafeTALK April 12th and 13th**

Deanna Callsen from the Saskatchewan Health Authority will be at NWCS on April 12th and 13th working with the grade 10-12 classes for a portion of the day on safeTALK workshop. Each student will get a certificate of completion for their portfolio and resume. In safeTALK workshops participants learn how to prevent suicide by recognizing signs, engaging someone, and connecting them to an intervention resource for further support. This program is being sponsored by the Saskatchewan Health Authority. If you have any questions or concerns, please contact Erin Swan, Child and Youth Counsellor, at the school.

Hello,

As we are getting ready for our Roads to Success Career Fair on April 29, we are trying to build some excitement by participating in the Saskatchewan's Most Informed School and Saskatchewan's Most Informed Student competitions.

Every student, teacher, family, or community member that registers as part of our school community, can add points for us.

#### **Saskatchewan's Most Informed Student**

All grade 6-12 students in Saskatchewan are eligible to compete. This competition runs from April 4- 13 or until the \$4,000 prize pot is depleted. Students can answer up to 10 post-secondary and career exploration questions a day. By answering 50 questions correct during the competition dates students earn a \$20 bursary. Following April 13, make sure to watch your progress on the national student leaderboard and continue quizzing to earn more!

#### **Saskatchewan's Most Informed School**

ChatterHigh and Skills Canada Saskatchewan have partnered together to run a 10-day career exploration competition from April 4-13. This 'A' Leaderboard is for middle and high schools in SK with under 100 students. This competition will jump-start the national Let's Talk Careers Competition. Following April 13, make sure to continue competing and watching your school and student progress on the national leaderboards until May 20.

#### **Leaderboard**

Standings are calculated based on points earned in quizzes by all participants connected to the school (ie students, parents, teachers, alumni and 'friends-of') divided by the school population.

If you get the chance, or your class has a few minutes of down time, please encourage your students to be doing the daily quiz.

Once the contest starts, I will be sending out updates and reminders. I look forward to see our school on the leaderboard!

Please feel free to email me if you have any questions.

Happy Quizzing!
