CROP would like to extend a huge thank you to all who contribute to our community rink. Many hours were put into installing the new lights this year, with Weese and Mcleans lending us equipment to complete the job. To our ice makers and ice keepers who give up so much of their time, we really appreciate all who help out with this. Thanks to Hayden for keeping our rink lobby tidy and clean. Thanks to all who made donations for skating fees. It was a short season, but we appreciate all of the support at the Plenty rink!
