

North West Central School  
Thursday Note  
**June 3, 2021**

<http://www.northwestcentral.sunwestsd.ca/>

**Principal's Message**

Our condolences to the Turk and Toner families on the passing of their brother, David. Our sympathies are also with the Hague families on the passing of their brother/uncle.

The following update to our masking policy was released yesterday:

\*\*\*\*\*

Sun West School Division's masking protocols for outdoor activities have been updated based on guidance from provincial health officials.

Effective **Friday, June 4th** students will still be encouraged to wear masks outside, however they will not be required while:

- Playing outside at recess
- Participating in outdoor Phys Ed classes
- Learning in an outside setting.

Physical distancing is still be considered during outside activities.

Staff members are required to wear masks outside unless physical distancing can be assured.

Protocols for wearing masks indoors have not changed.

Thank you to students, staff and families for the terrific job you've done in complying with provincial guidelines to date.

This email is being sent on behalf of  
Randy Emmerson, Director of Education  
Sun West School Division

**Important**

Deadline for submitting items for the Thursday Note is Wednesday before noon. Items received after that will not make it into the Thursday note.

## **BOARD OF EDUCATION HIGHLIGHTS**

The Sun West School Division Board of Education held its regular meeting on Tuesday, May 25, 2021 in Rosetown at the Sun West Learning Centre. Board members who participated in person were physically distant while others participated virtually.

The meeting was very productive and highlights included:

- The Sun West Youth Consultation Group made its annual presentation to the Board. This group researches student views on education issues and based on what they learn make recommendations to the Board. The focus of the student presentation was on mental wellness and the impact of COVID-19 on students' well-being. Some of the students courageously shared their own experiences with mental wellness during COVID-19 and their presentation included videos from a number of students as well as the results of student surveys on mental wellness in their schools.
- The students emphasized the important role of Child and Youth Counsellors in addressing the mental wellness issues of students. The Board indicated they also appreciated the importance of this role and explained that plans are in place to add two new counselor positions next year.
- The Board reviewed and made a motion accepting the 2021-22 school division budget. The budget projects a cash balanced budget of approximately \$69.7 million dollars. The budget is based on projected enrollment of 6,054 students, which will be adjusted for actual numbers after September 30, 2021. More detailed information will be made available on the Sun West website in the future.
- After reviewing the one-year Interim Provincial Education Plan (PEP), the Board agreed to endorse the plan. The PEP outlines actions to be taken in the priority areas of: skills and knowledge; mental health and well-being; connections and relationships; and inclusive, safe and welcoming learning environments.

The next regular meeting of the Board of Education is scheduled for June 22. For more information on the Sun West Board of Education:
