### Principal's Message

Our thoughts and prayers go out to the Halter/Spence families on the loss of their father/grandfather.

The last PD Day was January 30 and we discussed our school goals for the year. One of our goals is student and parent engagement. For our students, this means that students are in our building and engaged in their learning. Research says that three key indicators for school success are:

- \* Attendance, be at school as many days as you can be (except for severe illnesses).
- \* Behavior (regulate your behavior, so you can stay focused on learning and have good relationships).
- \* Complete assignments on time.

Parent engagement can include some of the following:

- \* Reading the Thursday Note and knowing what is going on.
- \* Volunteering to help with school events and activities.
- \* Checking Edsby for messages and reading report cards.
- \* Attending all parent teacher interviews to discuss your child's progress with their teachers.

The SCC would like to thank the following NWCS parents who have volunteered their time this month to bake muffins in support of our SCC Muffin Program.

*Carol McMillan, Ashley McLean, Lindy MacLeod, Catherine Kelly and Andrea Swan.* We, along with the students, appreciate your time and support!

If any parent or community member would be interested in volunteering to bake for us, please reach out to Janelle Olson.

**We are still needing a lot of pictures!** Last year, we created a "This is NWCS" family bulletin board in our hallway featuring a "family" picture from each of our NWCS families. We loved it! So did the students, and visitors to our school! So, we are doing it again this year.

This means we need your help again. Please send a 4x6 or 5x7 size "family" picture (this won't be returned to you) or email a digital copy to trish.mcdonald@sunwestsd.ca. **This can be whatever "family" means to you. And, if you have two families, you can send two pictures!** Thanks for your help with this!
