Principal's Message

Wow! This has been a crazy week, but we are thankful that we can work together to solve problems as they arise. Students and staff are happy to be back at school today and it is business as usual. There are five days next week for students to prepare for finals/midterms and to complete semester one courses. K-7 students continue to work on their classes with emphasis on their reading and math classes. Reading is so important in almost all classes at school, so it is essential that reading is occurring at home as well as at school.

Important

Deadline for submitting items for the Thursday Note is Wednesday before noon. Items received after that will not make it into the Thursday note.

Email Jodi at jodi.seibold@sunwestsd.ca if you need any help with the Family Portal
