Principal's Message

Welcome to the 2021-2022 school year! It is great to have our students back in our building and excited to learn. Please complete these forms by clicking on the links.

[Driver Authorization Form](#) – please complete this form if you will be driving students to events at any point this year.

[SHSAA Form E-7](#) – please complete for students in *grades 6-12*.

[Parent Permission for Student to Leave at Noon 2021-2022](#) – Grade 6-9 students need this form completed in order to leave the school grounds at noon.

[NWCS Responsible Use of Technology Devices at Home \(140-3\)](#) NWCS is a 1:1 school. Students K-7 are assigned their own iPad. Students in Gr. 8-12 are assigned their own laptop. This form needs to be completed by all of our families.

Our staff is excited to work with our students, their families and our community. If you have questions or concerns, please address them with your child's teacher. We want to resolve concerns when they are small.

Our school community is in desperate need of a regular route driver for the Ruthilda area and substitute drivers to fill in for our regular drivers. The division pays the costs associate with getting your license and provides on the job training. Please contact the division office at (306) 882-2677 or the school at (306) 932-2222 if you are interested in driving bus.

We have included a copy of the Attendance at School during COVID-19 – Students to this email. Please refer to it daily, making sure your child should attend school.

Important

Deadline for submitting items for the Thursday Note is Wednesday before noon. Items received after that will not make it into the Thursday note.

RETURN TO SPORTS SURVEY

The SHSAA looks forward to sharing the themes coming out of the University of Saskatchewan’s “Return to School Sport” survey in the coming weeks. The survey <https://www.surveymonkey.ca/r/X6CDM76> will remain open during school start-up to collect data as the school year opens. This project aims to understand the experiences of high school student-athletes, coaches, administrators, student-athlete parents, and officials during the loss of high school sport due to the COVID-19-pandemic.
