- May 1st SCC Annual General Meeting at 5:30 in the Blues Room
- May 6th OHS Renovation Community Engagement Session with Jessica Gibson, Architect at 5:30

Students of the month

Juliana Stadler has had an excellent first semester here at OHS! She is a hard-working student, always showing up to class ready to learn and could usually be found working during her lunch hour to stay on top of her studies. She is kind and welcoming in the hallways and is just an overall good human being. Congratulations, Julianna!

This month Raymond did a great deed, and it deserves to be recognized! He found a wallet with a large amount of money in it and brought it to the office, and it was returned to its rightful owner. He is a kind student, always walking around with a smile on his face 😊 We are proud of you Raymond, and happy to call you a Blue!

Parent Teacher Interviews & Course Selection

In conjunction with our Parent/Teacher Conferences on April 10th and 11th, we will be offering a Course Information night in the Blues Room. Credit requirements have recently changed and will affect the class choices for students going into Grade 10 next school year. If you are a parent/guardian of a current Grade 9, 10 or 11 students, please stop in at the Blues Room to have a teacher answer your questions around what courses your child(ren) may take next school year!

To book your interview please use the link below. We encourage everyone to come ☺

OHS Cookbook

Have you ever been stumped on what to cook? Are you ever wanting to try and cook something new or try a new recipe from another country? The OHS Blues are gathering recipes from anyone interested in submitting recipes to put together a cookbook featuring recipes from our student body, community and anyone who is interested. We are in the early stages of planning, so if you are interested in having grandma's famous cabbage rolls or your great, great grandpa's cooked fish recipe in, print them and drop them off at OHS. You can also email them to nicole.pederson@sunwestsd.ca. Let's see what we can do to show off the amazing recipes of our Blues families and community!

Drivers Ed Spring Session

Drivers Education is set up and ready to go. If your child will be 15 years old before July 19th, 2024 they are eligible to take the course. Forms have been sent home with students, if you did not receive it or have any question's please contact Mr. Theoret. Course dates are Friday after school on April 19th, all day Saturday and Sunday the 20th and 21st as well as all day during school on Monday the 22nd.

Grade 6 PowerPlay Young Entrepreneur Show

Come check out what our grade 6 classes have been up to Thursday, April 11 from 1:30 - 3:00 in the OHS gym. They are participating in PowerPlay Young Entrepreneurs: students explore the exciting world of business by creating, marketing, and selling a product to earn money. Some students also choose to donate a portion of their earnings to a charity of their choice.

Provincial Dental Screening

A licensed oral health professional will be at **Outlook Highschool** to provide a visual dental screening for Grades 7 students on **May 14th & 15th, 2024**.

The screening is a quick visual look at your child's teeth and mouth. A note will be sent home following the screening. **This screening does not replace your regular dental check ups.**

If you do not wish for your child to participate in the Dental Screening or if you have questions, call Brett @ 306-831-4181

OHS

Renovation Community Session

May 6th, 2024

5:30pm

Blues Room, OHS

Come tell us what changes you'd like to see in our school building!

If you have any questions, please email your principal: colette.evans@sunwestsd.ca

It's P.A.R.T.Y. Time!!!!

On April 16, 2024, the Grade 10 students from Outlook, Lucky Lake, Beechy, Dinsmore and LCBI schools will participate in the P.A.R.T.Y. program in Outlook. We are very grateful for all the community involvement to make this day possible.

P.A.R.T.Y. stands for Preventing Alcohol and Risk-Related Trauma in Youth. Throughout the day, the Grade 10 students will experience what it is like to be in the place of an injury survivor. The day starts with an opening presentation where students gain a better understanding of what it means to take a risk, how to make an informed decision about risk-taking behavior and strategies to help prevent injury. They will then attend a mock crash followed by small group presentations by the RCMP, Addictions, Therapy, and ER/EMS. The day will conclude with an injury ambassador speaking about their injury and what life has been like. During the lunch, students will be given a scenario and will try to eat with a simulated injury.

It is a very impactful day, leaving the students thinking about their choices and the risks they are willing to take!

If you are interested in volunteering during that day, please contact the school. Thanks to everyone who has already volunteered!

Increasing risk of measles in Saskatchewan

Measles cases are occurring at an increasing rate worldwide and the risk of exposure to measles in Canada is growing. Measles is one of the world's most contagious diseases and can be very serious. It can affect all ages, but tends to be more severe in adults and very young children. Catching measles while pregnant can affect the baby.

Measles is spread by coughing, sneezing, or breathing infected air. The virus remains active and contagious in the air for up to two hours. The best way to protect yourself from measles is through vaccination. Two doses of a measles-containing vaccine is 97 per cent effective at preventing the disease. If not up to date on their vaccinations, anyone can spread and catch measles. Please check that everyone in your household is fully vaccinated for measles.

For children:

- Children should receive two doses of a measles-containing vaccine, such as the Measles-Mumps-Rubella-Varicella (MMRV) vaccine. The first dose is given at 12 months of age and a second dose at 18 months of age.
- If you do not know if your child received the measles vaccine or if they have had both doses, check their vaccination history on the [MySaskHealthRecord website](#) or app.
- For children under 14, learn how to access your child's information on the [eHealth website](#). Children 14 and over must register for their own account – the guide to help your register is also on the eHealth website.
- If you do not see their full vaccination history on MySaskHealthRecord, contact the [Public Health office](#) where your child received their immunizations. To book an appointment for your child to be fully vaccinated, connect with the closest Public Health office.

For adults:

- Adults' eligibility for publicly-funded measles vaccinations depends on [their date of birth](#):
 - Born 1970 and onwards – two doses
 - Born 1957 to 1969 – if travelling outside of Canada, one dose
 - Born before 1957 - no vaccination is required
