For Home Economics

Students selecting the Home Economics option will need their own sewing supplies. A letter will be sent home with your student during the term regarding these supplies.

Please Note: Art supplies are needed for each Art class. A number of students lose supplies within the first few weeks. Please check with your student on a regular basis to ensure they have their supplies at school.

- The school will supply white glue, paint, brushes, paper and any special project material.
- Please label everything clearly with student name
- Please ensure that your student has these supplies available as soon as Art class begins.
