Principles Report: Attached

Old Business: Winter Dance set for Feb.5/2016. We will advertise it as a family School Dance for residents of Coleville and students of Rossville. Thinking \$5 per family. Joleen will contact Nicole or Darcy Weber about DJ'n. We decided to have fruit skewers, cheese and crackers, pickles, meat tray and veggies and dip.

Gym Rental Agreements: there was some concern that Falon's name was on the gym rental agreement for the playschool last weekend and she wasn't here on Friday to help set up. It was decided that Joleen will make a note on the agreements that there has to be two signers in case the original signer can't make it. Joleen will contact Jen Lizuck and Jen Gartner to let them know they need another signer. Playschool returned keys, and they got their deposit check back.

Meet The Parent Night: Good feedback from parents and students, was awesome!

New Business: School Budget \$13,885.30. Crystal gave us a rundown of where she allotted money to. Everybody thought it sounded fine.

Hot Lunch for November was discussed, it will be Nov.27th spaghetti, meat sauce, garlic toast, chocolate milk, and mini cup cakes.

Christmas Baskets: We decided our baskets theme will be food and drink. \$15-\$25 per person limit.

Tickets will be \$2 or 3 for \$5.

Extra Agenda Items: Book Club winners were discussed, Joleen will be keeping a list of recipients at the school, also names will be announced in the November newsletter.

Robert Dewey informed us Sun West School Division won an innovation award for 2nd place, they will be featured in Readers Digest Magazine. This will also be announced in the newsletter.

Next meeting: - November 25th 6:00. It will be pot luck.

Meeting was adjourned by Jen @ 7:30 pm.
