

## **Westcliffe Composite School Pandemic Plan 2020-2021 And Checklist**

For the 2020-2021 school year, the Government of Saskatchewan expects every student to continue to learn. Saskatchewan Education has released its provincial Safe Schools Plan. Our school's re-entry plan aligns with Sun West School Division's plan and is the result of consultation with Saskatchewan Education.

Based on this information, Westcliffe Composite School has worked with a staff and division team to create the following school-based plan. This plan outlines how we will be operating and what students, staff, and families can expect as we begin the school year.

### **8 Key Areas**

- **Safe Attendance**
- **Safe Transportation**
- **Safe Access**
- **Safe Facilities**
- **Safe Classroom/Common Spaces**
- **Safe Supports**
- **Safe Activities**
- **Safe Alternatives**

Even with all the measures in place, it is possible that return to school may lead to an increase in the number of COVID-19 cases within our school division. However, an outbreak is less likely to occur the more health measures that are in place. For that reason, it is essential to have complete cooperation from staff, students, families, partners, and community members to lessen the impact of COVID-19.

No one is permitted inside Westcliffe Composite School or bus if they have symptoms consistent with COVID-19 – unrelated to a pre-existing condition.

### **Communication**

In addition to this school re-entry plan document, up-to-date information about our plan and any changes will be available via:

- parent email accounts;
- the school website at <http://www.westcliffecomposite.sunwestsd.ca/>;
- our school Facebook page.

## Safe Attendance

### Understanding the Pandemic Plan

- All school personnel (staff and students) will be made familiar with AP 162-Appendix A: COVID-19 Pandemic and Health Accommodations.
- Staff will review the most up-to-date version of the SWSD Re-Entry Plan and will review our specific school plan on August 26.
- Parents will be provided access to the school plan through various means (e.g. website, email, social media, etc.).

### Infection Reduction Education and Training

- Staff and students will be provided education and training specific to infection reduction (hand and respiratory hygiene) as part of the first days back to school (e.g. review hand hygiene and respiratory hygiene protocols (see SWSD Re-Entry Plan Health Accommodations, Appendix A and Appendix C).
- Protocols will be posted in classrooms, in washrooms, and at high-touch areas.
- On the first day back to school and as needed throughout the year, students will be educated about safe hand and respiratory hygiene practices:
  - When to perform hand hygiene (see [SWSD Re-Entry Plan](#), Appendix C);
  - Thorough hand washing with soap and water for at least 20 seconds when hands are soiled and use of hand sanitizer when visibly clean;
  - No sharing of food, drinks, or personal items;
  - Cover your cough; do not touch your face.

### Touch Surface Cleaning Protocols

*Protocols for touch surface cleaning will be provided to staff and students during the first week back to school and throughout the year as needed (see Sun West School Division Plan - Appendix A).*

- Students and staff will clean and disinfect frequently touched surfaces at least twice a day or after using shared resources/spaces (e.g. student desks/tables, tablets, learning materials). Students will have assigned seating in the classroom.
- Our caretakers will increase cleaning of high touch areas throughout the school including door handles, light switches, keyboards, etc.

### Access to Hand Sanitizer

- School wide hand sanitizer will be available but students and staff should also have their own scent free hand sanitizer. This has been added to our school supply lists.
- Health Canada approved hand sanitizer will be available in each classroom and in high traffic areas.
- Hand sanitizer locations will be visibly marked with information about proper use.
- School staff will monitor use of hand sanitizer with young children.

### Signage

- To support hygiene practices, we have increased signage.
- Physical distance floor decals will be used in classrooms, common areas, at school entries, and washrooms.

### Illness Care Plan

- Westcliffe Composite School will follow the Sun West School Division protocol for students and staff that develop symptoms at school (Appendix B SWSD Re-Entry Plan).
- Within all Westcliffe Composite School operated buildings and busses, contact-tracing reporting will occur.

<ul style="list-style-type: none"> <li>This plan will be communicated and posted in front office, principal's office, staffroom and isolation room.</li> </ul>
<p><b>Contact Information</b></p> <ul style="list-style-type: none"> <li>Families must ensure the school has <b>current emergency contact information on file</b>, and those listed are prepared to respond immediately if a student becomes symptomatic.</li> </ul>

(band, PE)</li> </ul>

**Water Bottles**

- Water fountains *will not* be in use.
- Water bottle filling stations will be in operation. Hand sanitizer will be stationed near these stations.
- Students are required to bring their own water bottles and take them home each night for a thorough cleaning.

**Masks and Face Shields**

- The following changes will be made to our Westcliffe Composite School Pandemic Response Plan effective Monday, November 23rd:
- 1. Properly wearing masks will be mandatory for all Prekindergarten to Grade 12 students when they are: a. On busses; and b. When they are inside the school. Outside, during recess, masks may be removed if students maintain appropriate physical distancing. Mask breaks may be provided at the discretion of the teachers if physical distancing is maintained. In extra-curricular activities when instructed by teacher/coach and physical distancing is maintained.
- 2. Properly wearing masks will be mandatory for all staff when they are: a. In the presence of students; b. In high traffic areas such as entrances and hallways; c. In staff rooms unless you are eating and drinking in which case physical distancing rules would apply; and d. Unable to physically distance from other staff. If staff are alone in their workspace, a mask will not be mandatory. In some cases, staff may also use face shields when working in close proximity with students.
- The Division has provided all schools with a limited amount Personal Protective Equipment.

**Safe Transportation****Parent Transportation**

- Parents who are able are encouraged to drive their own children to school (e.g. work in town).
- Parents will be provided a drop off and pick up process.
- No personal vehicles will be permitted in the bus zone, rather drop off/pick-up students in the visitor/student parking lot.

**Sun West Safe Bus Transportation**

- Students riding in busses for an extended period are defined as being in close contact.
- The following changes will be made to our Westcliffe Composite School Pandemic Response Plan effective Monday, November 23rd: 1. Properly wearing masks will be mandatory for all Prekindergarten to Grade 12 students when they are: a. On busses;
- Students who live in the same household seated together.
- Seating chart will allow for loading the bus from the back to the front.
- Assigned seats and a record of this seating plan kept at the office to assist with contact tracing in the case of a student being confirmed with COVID-19.
- School bus cleaning and disinfecting following use will be completed and monitored.
- Busses will begin unloading at 8:40 a.m. School doors will be unlocked at that time.
- In the morning, students will disembark at the school one at a time. The front bus in the line-up will unload first, starting no earlier than 8:40 a.m.
- Students will remain seated until the bus driver indicates it is time to exit the bus.
- At the end of the day, students will be dismissed by bus number/Bus Driver Name to reduce congestion in the bus rooms. This schedule will rotate the dismissal.
- A bus loading schedule will be provided to all drivers and parents.
- Additional bussing expectations can be found on the Sun West School Division website.

**Bus Arrival and Departure Procedures**

- Teach students drop-off and pick-up procedures. Communicate this with parents. Use multiple methods of communication.

**Safe Access****Designated Entrances and Exits**

- Designated doors for entering and leaving schools have been assigned:
  - Grades K/1/2/3 – West entrance
  - Grades 4/5/6/7 – South entrance
  - Grades 8/9/10/11/12 – Main entrance
  - Upon entrance, students will follow handwashing/hand sanitizing protocols and proceed to classroom cohort.
- Signage is posted at all doors to ensure proper physical distancing at entrances and exits.
- Students will be dismissed on a rotating schedule which will be announced over the intercom each day. Dismissal will be based on bus number/Bus Driver name)/and or town students. A dismissal schedule will be distributed to parents and will be on the school website.
- See Boot Room for additional information.
- Town students are encouraged to come to school at 8:45 a.m.

**Parent Drop Off and Pick Up**

Parent drop-off/pick-up location and rules to minimize parent/caregiver interaction with other staff and students: limiting to one parent/caregiver to drop student off in the visitor/student parking lot)

**Footwear/Boot Rooms**

- Students are expected to remove outdoor shoes in the entrance and use the boot racks assigned to their cohort.
- Students will need to limit the number of inside shoes on the racks to accommodate space for everyone's shoes.
- Students and staff must practice safe physical distancing while removing or putting on footwear in the boot rooms.
- Grades K/1/2/3 Boot-room in west entrance
- Grades 4/5/6/7 Boot-room in south entrance
- Grade 8/9/10 Boot-room in main lobby
- Grade 11/12 Boot-room on North entrance.

**Main Office Safety**

- Only staff will be permitted in the office on a regular basis.
  - When students require access to the office (e.g. use the phone, get classroom supplies, visit the principal's office, access first aid items), they must wait for permission to enter.
  - Students will use hand sanitizer when entering and exiting the office.
  - All surfaces touched by students during their time in the office must be sanitized (e.g. telephone).
  - Will be consideration – visitor instructions, hand sanitizer protocols, self-monitoring (Self-Assessment Checklist)
- traffic and spacing

**Hallways and Common Areas**

- Strict protocols to reduce congestion in high traffic areas such as hallways, lunch rooms, and offices.
- Use of visual cues and direction plans.
-

- **Library Use**

- K-10 students will have limited access to the library until further notice.
- Library desks have been organized to allow for physical distancing while working on DLC courses.
- All surfaces must be cleaned after student use (e.g. table, chair, keyboard, etc.).

**Lunchrooms**

- All students will be each lunch with their cohort in an assigned lunchroom.
- Seating plans will be in place for lunch.
- Families that can go home for lunch encouraged to do so
- Student accessed microwaves have been removed from the school to reduce the need for increased cleaning. Please send a thermos for hot lunches.
- Breakfast program will be discontinued for the foreseeable future. Packaged, nutritious food will be provided for staff to distribute to students as needed.
- Lunchrooms will be cleaned immediately following the designated lunch period.
- Supervision will be provided by a rotating teacher.

**Washrooms**

- Assign washrooms for cohorts of students.
- Staggered and/or scheduled time for classrooms
- Limit number of students in washroom
- Signage and training for hand hygiene

**Public Access**

- Do NOT enter Westcliffe Composite School if you are feeling unwell or have COVID-19 symptoms.
- School use will be restricted to staff and students until further notice.
- Parents are asked to drop their children off at the designated visitor/student parking lot.
- All non-essential visitors are asked to contact the school in advance.
- Visitors who have permission to enter the school (e.g. substitute staff members, guest speakers) are not to proceed past the reception area until granted permission.
- Visitors must sign in to allow for contact-tracing if required.
- Visitors must follow on-site protocols.
- School facilities will not be available for use by outside organizations until further notice.

**Lockers**

- K-7
  - Students will be assigned lockers for jackets, gym clothes, and lunches.
  - Other learning materials will be stored in individual bins in the classroom (or their assigned desk).
  - Locker access will follow proper physical distancing requirements.
- 8-12
  - Hallway lockers will be assigned for jackets, gym clothes, and lunches.
  - All other learning materials will be stored in personal backpacks.
  - Locker allocation will be staggered where possible so that there is physical distance between members of the same cohort.
  - Access to lockers will be staggered to allow cohorts only to be at lockers at any given time.

### **Change Rooms**

- Change Room Use will be limited and use will be staggered.
- No personal gym clothes/items will be stored in the change rooms.
- Only cohorts will be able to use the change room at the same time.
- Caretaker will sanitize change rooms after each use.

## **Safe Facilities**

### **Cleaning and Disinfecting**

- Increase cleaning and disinfecting following use of spaces (e.g. high-touch areas such as doorknobs, light switches, handrails, bottle fillers, pop machine, washrooms, change rooms and sink faucets);
- Ongoing cleaning and disinfecting of schools—entrances, classrooms, auxiliary spaces, desks, chairs, tables, lockers, walls, technology and other equipment;
- Education and promotion of proper hygiene practices;
- Hand sanitizer stations
- Signage (provided by Division)
- Touch surface cleaning: student desks/tables, devices, learning materials included in classroom procedures

### **Washrooms**

- Limits on bathroom occupancy
- West bathrooms will be assigned to grade alike cohorts.
- North bathrooms will have be limited to a maximum of 2 people at one time.

### **High Touch Areas**

- Staff protocols are in place for high touch areas:
  - Cleaning wipes for photocopier;
  - Staff lunch room moved to the Art Room/Maker Space to allow for physical distancing;
  - Cleaning staff room appliances;
  - School phones in specific areas with access to cleaning wipes;
  - Student access to telephone in the office only with cleaning following use.
  - Students will have access to the pop machine.

### **On-Going Facility Assessment**

- Regular meetings will be held with caretaker for ongoing assessment of cleaning needs.

- after a physical education class or outdoor play
- after using shared items
- after using a high-touch surface

**Classroom Cleaning Protocols**

- Designated hand-hygiene breaks
- Mandatory cleaning and disinfecting of classrooms and desks and chairs after student use
- Mandatory cleaning and disinfecting of shared-use items (shared devices, computer stations)

**Safe Supports****Staggered Starts**

- Kindergarten will have a staggered start to ensure safety procedures can be learned and practiced with a smaller group.

**Trauma Informed Approach**

*A new virus such as COVID-19 can create anxiety and fear about the present and future. It becomes especially difficult if someone you know is sick or hear troubling messages on the radio, internet or television. Changes in routines and the continued precautions in place to limit the spread of the virus can also give rise to unexpected emotions and exacerbate pre-existing mental health conditions such as anxiety, depression or substance abuse. Therefore, mental health and wellness are critical aspects of the Westcliffe Composite School- School Re-Entry Plan.*

- School will start with a trauma-informed approach, identifying staff and students who may require additional supports.
- Counsellors and school-based support teams continue to reach out to students and families to share mental health resources, information and academic support.
- Access external resources and supports for students is available for students who require intensive assessment and intervention services. Additional information about specific protocols will be distributed to parents prior to these services.
- The Westcliffe Composite School staff continue to take part in professional learning which focus on self-care, wellness and supporting students.
- Opening days classroom procedures will include information about caring for those who are ill or isolated, physical distancing and personal protective equipment.

<b>Personal Protective Equipment (PPE)</b> <ul style="list-style-type: none"> <li>PPE, such as polycarbonate dividers, face shields, gowns and face masks will be provided by the Division</li> </ul>
<b>Itinerant Staff</b> <ul style="list-style-type: none"> <li>Throughout the Division, itinerant staff will only work in one school per day.</li> </ul>
<b>Immuno-Compromised Safety Plans</b> <ul style="list-style-type: none"> <li>Safety plans are based on the Duty to Accommodate process for students and staff will be developed on an individual case basis.</li> </ul>
<b>Students with Intensive Needs</b> <ul style="list-style-type: none"> <li>The return to school presents unique challenges for students within the system special-education programs.</li> <li>School staff will consult with families to ensure a smooth transition and to accommodate a more individualized return to school.</li> <li>When possible, schools have developed cohort groups for students.</li> <li>Classrooms are also organized to encourage maximum distance between students and protocols to reinforce good hygiene practices will be in place.</li> <li>Additional PPE may be required by school staff.</li> </ul>

## Safe Activities

<b>Recess and Breaks</b> <p>The following changes will be made to our Westcliffe Composite School Pandemic Response Plan effective Monday, November 23rd:</p> <ol style="list-style-type: none"> <li>Properly wearing masks will be mandatory for all Prekindergarten to Grade 12 students when they are outside; during recess and noon hour, masks may be removed if students maintain appropriate physical distancing.</li> </ol> <ul style="list-style-type: none"> <li>At noon, elementary students will go outside into assigned zones. Outside zones will be staggered to allow all students to access different playground equipment: (e.g. track area, playground equipment, open space).</li> <li>High school students will also have rotating zones: (e.g. gym/outside, cohort lunch room, library, designated hallway areas).</li> <li>Only activities that follow physical distancing guidelines will be permitted.</li> <li>Due to the potential for close/physical contact when cohorts are in the gym during noon, the use of shared equipment and/or contact sports/games will be minimized. All shared used items will be thoroughly cleaned at the end of the noon hour.</li> </ul>
<b>Use of Outdoor Spaces</b> <ul style="list-style-type: none"> <li>Protocols for outside spaces during recess and/or classroom include: <ul style="list-style-type: none"> <li>Scheduling</li> <li>Proper sanitation</li> </ul> </li> </ul>

Mask breaks may be provided at the discretion of the teachers if physical distancing is maintained.</li> <li>Due to the potential for close/physical contact during physical education classes, the use of shared equipment and/or contact sports/games will be minimized.</li> </ol>

- All shared used items will be thoroughly cleaned at the end of class.
- When possible, physical education classes will use outdoor spaces.
- PED will focus on skill development vs team sports.
- Suggested activities include take into consideration where PE can be taught, what types of activities are recommended, healthy equipment management;
- See Changerooms

#### **Assemblies and Group Gatherings**

- At this time, no K-12 in person school assemblies will be planned.
- Group gatherings of up to 30 students may occur at the gym if physical distancing/cohorts can be maintained.

#### **High School Sports (Extra-Curricular Sports)**

- Schools will review SHSAA Guidelines for Return to School Sport and communicate the most recent plans with students and parents.
- As of August 20, 2020:
- Fall Golf has been cancelled
- Volleyball may run from October 13<sup>th</sup> to December 18 (Practices only)
- Football will run from September 28-November 7 (Skill work only)
- Cross Country will run from: October 7 to October 17
- SHSAA is working on the logistics of Co-Op teams, still to be determined.
- Regular meetings with Athletic Director to ensure compliance will occur throughout the year.
- Basketball may run from December 7 to March 27
- Curling may run from November 30 to March 6
- Additional health measures come into effect at 12:01 am, Friday November 27 and until December 17, 2020. At that time they will be reviewed by the provincial Chief Medical Health Officer. These measures include:
- All team/group sport games and competitions are suspended.
- Athletes 18 years of age and under may continue practicing, conditioning and skills training in groups of eight or fewer, abiding by the required mask use and at least three metres of physical distancing between participants at all times.
- Coaches /trainers are not included in the training group numbers as long as they are masked and maintain a minimum physical distance of three metres.
- Mandatory, non-medical mask use will be required during all indoor activities. Mask breaks may be provided at the discretion of the teachers if students are physically distanced.

#### **Community Coaches**

**Community Coaches will be allowed after October 13<sup>th</sup>, if the following conditions are met:**

- **The school principal is responsible for ensuring that each community coach:**
- Review the SHSAA Return to School Sport protocol, guidelines, and recommendations, Saskatchewan Sports and Activities Guidelines, and Sun West School Division's Extra-Curricular Activities (School Sport) 2020-21 and submit a signed copy to the principal.
- Complete COVID-19 testing prior to re-entry and as required
- Has not recently come into close contact with someone who has tested positive for COVID-19
- Keep a daily log of COVID-19 symptom assessment using the Government of Saskatchewan's Self-Assessment Tool
- Wear a mask at all times
- Practice meticulous hand hygiene

- Check in with the school principal on practice day
- Non-entry to the school or non-entry except via the gym doors
- Submit practice plans to principal including:
  - plan for player interaction
  - plan for player engagement
  - plan for sharing of playbook – team documents
  - equipment sanitization

## Safe Alternatives

### Four Scenarios

To ensure preparedness, there are four scenarios that may be activated regionally or provincially based on the advice of our Chief Medical Health Officer. These levels would be put in place by Saskatchewan's Chief Medical Officer and Divisions will continue to work closely with him and his team on all planning.

<b>Level 1</b>	<p><i>Return to school, as close to normal as possible, with additional health measures and precautions.</i></p> <ul style="list-style-type: none"> <li>• Regular in-school classes resume for K-12 students.</li> <li>• Physically distance when possible.</li> <li>• Focus on cohort students as often as possible.</li> <li>• Continue assessment of students in all outcomes.</li> <li>• Schools must follow public-health measures.</li> <li>• Masks are optional.</li> </ul>
<b>Level 2</b>	<p>Mask usage as determined by the Chief Medical Health Officer. These masks are being purchased centrally by the Ministry of Education and distributed to school divisions.</p> <ul style="list-style-type: none"> <li>• Regular in-school classes resume for K-12 students.</li> <li>• Physically distance when possible.</li> <li>• Focus on cohort students as often as possible.</li> <li>• Continue assessment of students in all outcomes.</li> <li>• Schools must follow public-health measures.</li> <li>• The following changes will be made to our Sun West School Division Pandemic Response Plan effective Monday, November 23rd:           <ol style="list-style-type: none"> <li>1. 	<p>physically distance from other staff. If staff are alone in their workspace, a mask will not be mandatory.</p> <p><b>Sun West will start at Level 2 beginning September 8, 2020</b></p>
<b>Level 3</b>	<p><i>In the event it becomes necessary, school capacity will be reduced. This may include establishing cohorts and hybrid learning models as considerations.</i></p> <ul style="list-style-type: none"> <li>• An alternative in-school schedule is provided to reduce class sizes.</li> <li>• Physical distancing required.</li> <li>• Focus on cohorting students as often as possible.</li> <li>• Continue assessment of students in all outcomes.</li> <li>• Schools must follow public health measures.</li> <li>• Masks are mandatory.</li> </ul>
<b>Level 4</b>	<p>Implementing learning continuity plans, which means transitioning to mandatory remote learning.</p> <ul style="list-style-type: none"> <li>• Out-of-school learning opportunities provided for all students.</li> <li>• Continue assessment of students as directed by the province.</li> <li>• Students must actively engage in learning and pursue their education.</li> <li>• Schools and divisions must follow public health measures.</li> </ul>

## Classrooms

### Kindergarten/Grade 1/Grade 2/Grade 3 Classrooms

Maintaining physical distance is often challenging for younger children. Close interactions are also key aspects of play-based learning, which is the foundation of early learning programming. As such, children in our kindergarten/Grade 1 and 2 multi-grade classroom are not required to physically distance. Instead, they're grouped in cohorts. Classrooms are, however, organized in ways to encourage physical distancing.

#### General classroom protocols

- Children stay in their classrooms during learning times.
- Teachers, not children, move between classrooms, as required.
- All individuals practice good hygiene (see "Cleaning and Hygiene").
- The classroom is organized to encourage maximum space between children.
- Personal bins provided for supplies.
- Personal materials stored on a hook or in a locker—organized by cohort group or proper physical-distancing guidelines.
- No sharing of food, utensils, electronic devices, toys, books, games and learning aids.
- All eating takes place in the classroom.
- No toys and items difficult to clean and disinfect permitted inside the school.
- Regular deep cleaning of play centres.
- Mask use is required when physical distancing isn't possible.
- Bring filled, clean water bottle daily
- Bring personal hand sanitizer

### Grades 4/5/6/7 Classrooms

Maintaining physical distance is often challenging for students in the elementary grades. As such, each class serves as a cohort group that will stay together throughout the school day. Physical distancing is encouraged whenever possible.

#### General classroom protocols

- Children stay in their classrooms during learning times.
- Teachers, not children, move between classrooms, as required.
- All individuals practice good hygiene (see "Cleaning and Hygiene").
- The classroom is organized to encourage maximum space between students.
- Personal materials stored on a hook or in a locker—organized by cohort group or proper physical-distancing guidelines.
- No sharing of food, utensils, electronic devices, toys, books, games and learning aids.
- Eating takes place in the classroom.
- Staggered break times.
- No toys and items difficult to clean and disinfect permitted inside the school.
- Mask use is required when physical distancing isn't possible.

- Bring filled, clean water bottle daily
- Bring personal hand sanitizer

## Grades 8-12

At the junior high and senior high level, cohorting is challenging. Students don't always stay with their homeroom class, moving through the school to attend different classes. For the most part, schools have created cohort groups for core courses. However, that's not always the case for optional classes. When cohorting isn't feasible, students are expected to physically distance as much as possible.

### General classroom protocols

- The classroom organized to encourage maximum space between students.
- All individuals practice good hygiene (see "Cleaning and Hygiene").
- Personal materials stored in a locker if organized by cohort group or proper physical distancing guidelines. When not possible, the student can bring their belongings into the classroom using a backpack stored on their chair or desk area.
- No sharing of food, utensils, electronic devices, books, games and learning aids.
- Eating only takes place in designated areas using physical distancing.
- Cleaning and disinfecting of classrooms and desks before and after student or cohort use.
- The sharing of books and equipment only allowed within a cohort group. Before another student or cohort group uses a shared item, it must be cleaned or stored for 72 hours.
- Staggered break times and transitions.
- Mask use is required when physical distancing isn't possible.
- Bring filled, clean water bottle daily
- Bring personal hand sanitizer
